How Shared Ownership works

Our homes are available through Shared Ownership, making it possible for you to own your own home in a way which is flexible and affordable to you.

What is Shared Ownership?

Shared ownership is designed to help people who are unable to afford to buy a home outright, to step onto the property ladder. It is more affordable than buying outright because initially you purchase a share between 25% and 75%, and pay rent on the remaining share. In addition you only need to raise a deposit based on the share you are purchasing, rather than the full market value! Better still, you usually only need to raise a deposit of between 5% and 10% of the share value.

What about the share I don't own?

The share you don't own will be retained by B3. You will pay B3 rent on the unsold equity which is charged at 2.75%. This means that the more of the property you own, the less rent you pay.

Can I buy more shares in my property?

You can buy additional shares in your property at any time, up to and including 100% of the home – this is called staircasing. When you are ready to do this, speak to us and we will guide you through the process - not forgetting, the more of the property you own the less rent you pay!

The Lee Valley so much to explore

Relax in nature or get active in the beautiful open spaces and superb facilities at Lee Valley Park.

The Lee Valley is a unique green space, stretching 26 miles north from Hackney and spanning 10,000 acres. There are the beautiful, historic gardens of Myddelton House and Waltham Abbey to stroll through, and wildlife havens such as Tottenham Marshes and WaterWorks Centre nature reserve. Numerous walking, running and cycling routes weave their way through the park, some of which take in the public artworks and sculptures set amongst the greenery.

The River Lee Country Park is also home to the Animal Adventure Park, a fun day out for all the family and less than 2 miles from Cheshunt Lakeside.

For those looking to be more energetic, there are plenty of sports and activities on offer. Acres of lakes are the setting for sailing, rowing and watersports including kayaking, paddleboarding and windsurfing. There is even white water rafting on the 2012 Olympic course. Other sports facilities include tennis courts and hockey pitches, the Lee Valley Athletics Centre and golf course, while a brand new ice centre with Olympic-sized rink is on the way.

All within easy reach

Cheshunt Lakeside is conveniently located next to Cheshunt station, which offers both national rail and London Overground services.

B3 at Home is a home ownership brand created by B3Living, a housing association based in Hertfordshire.

B3Living own and manage over 4,500 properties across Hertfordshire and Essex and have successfully offered affordable home ownership schemes for a number of years.

Over recent years, the property buying market has undergone some big changes, making it more and more challenging for people to be able to own their own home.

B3@Home was set up to provide thoughtfully designed homes in ideal locations for people wanting to get on the property ladder and who are struggling to own their own home through conventional methods.

We understand that the availability and quality of housing has a significant impact on people's lives, affecting choices of work and transport needs, as well as quality of life.

Our home ownership team work alongside our sales agent Red Loft to provide the knowledge and expertise to help guide and advise you through the buying process and make sure that you find the right home for your needs and affordable for your budget.
