So many places to explore

Whittingham and Goosnargh villages are so close they almost touch each other and, as well as shops and a pub, they are home to tennis, cricket, sports and social clubs.

Preston is less than half an hour away and offers a great choice of fashion boutiques, restaurants, cinema, theatre, together with plenty of attractions to keep the kids amused. It's a town full of history with a choice of museums and some beautiful outdoor spaces. Blackburn is a little further and Manchester is also handy for a day out at the shops, an afternoon at the football or a night out on the town.

This is a part of the world full of natural wonders. There are waterfalls, woodlands, old mines, historic ruins, monuments, rivers and canals. Head up to Spire Hill for amazing views of the Forest of Bowland. Or pack yourself a picnic and take in the coastal views along the wonderful Wyre coastline.

You're connected to all the right places

Preston station is half an hour away and gives you excellent rail connections right across the country. There are regular services to Blackpool, Manchester, Lancaster and Liverpool. There are also excellent links to Glasgow, Edinburgh, Birmingham, the Lake District and two trains an hour (one direct) to London Euston.

By road, you're perfectly placed for the M6 with quick access to the Lakes, Scotland and the Midlands, while the M55 takes you directly to Blackpool and the coast. The M65 also gives you a quick route across to Yorkshire.

The nearest bus stop is a short walk away from your front door and there are regular bus services to Preston, Blackburn and the local area.

Manchester and Liverpool Airports are both handy when travelling further afield but maybe the best form of transport in this part of the world is to pull on a pair of walking boots and hike up Beacon Fell. You'll spot plenty of wildlife and, on a clear day, you can see all the way over to the Isle of Man.

Shared Ownership Explained

Your essential guide to all things Shared Ownership with Legal & General

Shared Ownership could be your step onto the property ladder. This home ownership scheme allows you to buy a share in your home and rent the remaining share. Over time, you can buy more shares in your home until you own the full 100%.

How does Shared Ownership work?

The Shared Ownership scheme is simple, you buy an initial share of between 40% and 75% (depending on the development) of the home's full value and pay a subsidised rent on the remainder. You may purchase further shares (up to 100%) as your circumstances change.

Your annual rent is charged at 2.75% of the residual value of your home, which is reviewed annually each April. This is capped at RPI (Retail Price Index) from September of the previous year + 0.5%.

Am I eligible for Shared Ownership?

If you earn or have a household income up to a maximum of £80,000 (or £90,000 in London) per annum, you could be eligible. You can also use Shared Ownership to buy alone or with another person as long as your joint incomes don't exceed the maximum earnings bracket.

Some developments have eligibility or prioritisation requirements around where you live and/or work. Please speak to our Sales Consultant for further information.

What other charges will be payable?

Your home will be subject to a management fee - this is a fee payable monthly to cover the administrative costs of Legal & General Affordable Homes and our

Management Provider. You will also be charged for the Buildings Insurance required to cover your home. Finally, all homes pay an Estate Charge which contributes to the maintenance of the wider estate, play areas or unadopted roads etc.

Can I buy additional shares in the property?

Yes you can. This is known as 'staircasing'. When you buy more shares in your home, your home is re-valued and you buy the shares at the current market value, at the time you are buying the shares. You can staircase up to 100%.

Is it cheaper than renting?

Shared Ownership can be cheaper than renting privately as the mortgage cost and low rent usually add up to less than the equivalent rental payments to a landlord.

What if I already have a home?

If you already own a property you would need to have confirmed the sale of your home when you apply to buy via Shared Ownership.

Your application would be assessed based on your housing need for you to be considered for Shared Ownership.

Will I need a deposit?

Yes you still need a deposit, but only on the percentage of the property you are buying. Mortgage deposits are typically 5% or 10% of the share value.

Enjoy your
new home,
your way

People come first. It's been the Legal & General way for almost 200 years.

Legal & General began in a coffee house on London's Chancery Lane back in 1836. Almost 200 years later we are investing in new homes for all ages, social groups and housing tenures.

The shortage of housing in the UK, and high deposits required to buy a property outright, mean many people can't afford a new home. Our mission is to better people's lives by offering opportunities to those who need a helping hand. Whether it's a first-time buyer, young couple or growing family, it's important that everyone has a safe and secure space to call their own.

Our mission is to become the leading private affordable housing provider in the UK and to make a positive difference to the affordable housing sector. As a company, we have never stopped moving forward, but our position of being a byword for reliability, integrity and trust, is one we will never move from. That's why our key principles underpin everything we do:

Quality We aim to bring you the best possible experience in every aspect of your new home. That's in location, design, finishes, environment and, above all, value.

Customer Service We're committed to providing first-class customer service, from the moment you arrive to when you open the door of your new home.

Sustainability We work to minimise the environmental impact of what we do. That means reducing carbon emissions, using renewable materials and following sustainable design and building processes.
