

# THE ELLINGTON

CANADA WATER

1, 2 & 3 bedroom apartments available with Shared Ownership

# Contemporary apartment living in Canada Water

**Occupying the former site of the London Hydraulic Power Company, The Ellington pays tribute to its founder, Edward Ellington, who established the business in 1882.**

The area has seen a myriad of changes since Edward made his mark here, and today the diverse attractions of Canada Water have made this a residential hotspot for those seeking a cosmopolitan lifestyle.

Our fabulous collection of thoughtfully designed 1, 2 and 3 bedroom apartments is perfectly placed to make the most of this dynamic destination, where you'll enjoy access to a plethora of exciting amenities, promising an outstanding quality of life.

# An ever-evolving environment

Coffee shops, restaurants and retail spaces all vie for your attention, while community spirit is fostered at the iconic Canada Water Library and Theatre, a vibrant cultural hub, hosting engaging events, exhibitions and live performances. When dusk falls Canada Water becomes a lively destination, with pubs, bars, restaurants and live music to fulfil your aspirations.

Once a bustling dockland, Canada Water has evolved into a thriving community with a rich heritage. Defined by its contemporary architecture, peaceful waterways and verdant spaces it's become an attractive and enriching cityscape for its residents, workers and visitors.

# Escape from the city

When it's time to take things easy you'll find plenty of parkland, tranquil waterways and the Thames riverside to relax in. Nearby Southwark Park is home to a sports and athletics centre, tennis courts, boating lake and a gallery hosting contemporary art exhibitions. If you want to get a bit more active, stretch your legs and get social with the parkrun every Saturday and when the new Canada Water Leisure Centre opens, you'll find the largest swimming pool in Southwark, alongside sports courts, exercise studios, and much more.

# A wide choice of travel options

Wherever you want to get to, living at The Ellington will give you access to a wide choice of travel options.

For rail travel, Rotherhithe station, just 0.1m away, offers overground services to Shoreditch, Hoxton and Highbury & Islington, while Jubilee line services from Canada Water whisk you to Canary Wharf, Stratford, London Bridge and the West End.

From Canary Wharf take the Elizabeth line to Heathrow, with minimum journey times of around 47 minutes; you can also get to the West End and as far west as Reading.

Bus networks, some offering 24 hour services, provide routes to the centre of London and to outer suburbs.

For a scenic commute, take an Uber boat from Doubletree Dock (1.3m), with services operating to Putney in the west and eastwards to Barking Riverside.

# Realising the vision

An ambitious vision to transform the former docklands of Canada Water into a thriving residential, social and working environment is well underway. This truly mixed-use destination has been planned to create a 53 acre urban centre with a new high street, town square, up to 3,000 new net zero carbon homes, sports and

leisure facilities, 2,000,000 sq ft of workspace, and generous green space for the benefit of all.

As one of the UK's most sustainable regeneration schemes, local history and heritage is being preserved along with the creation of an additional 12 acres of public space.

**16** new streets

and the first new high street in London for a generation

**12** acres

of new public spaces, including a public space the size of Leicester Square

**3.8** km

of new streets and spaces for pedestrians and cyclists to enjoy

**1** million sq ft

of new restaurants, bars, retail and entertainment space for the community

**1,255**

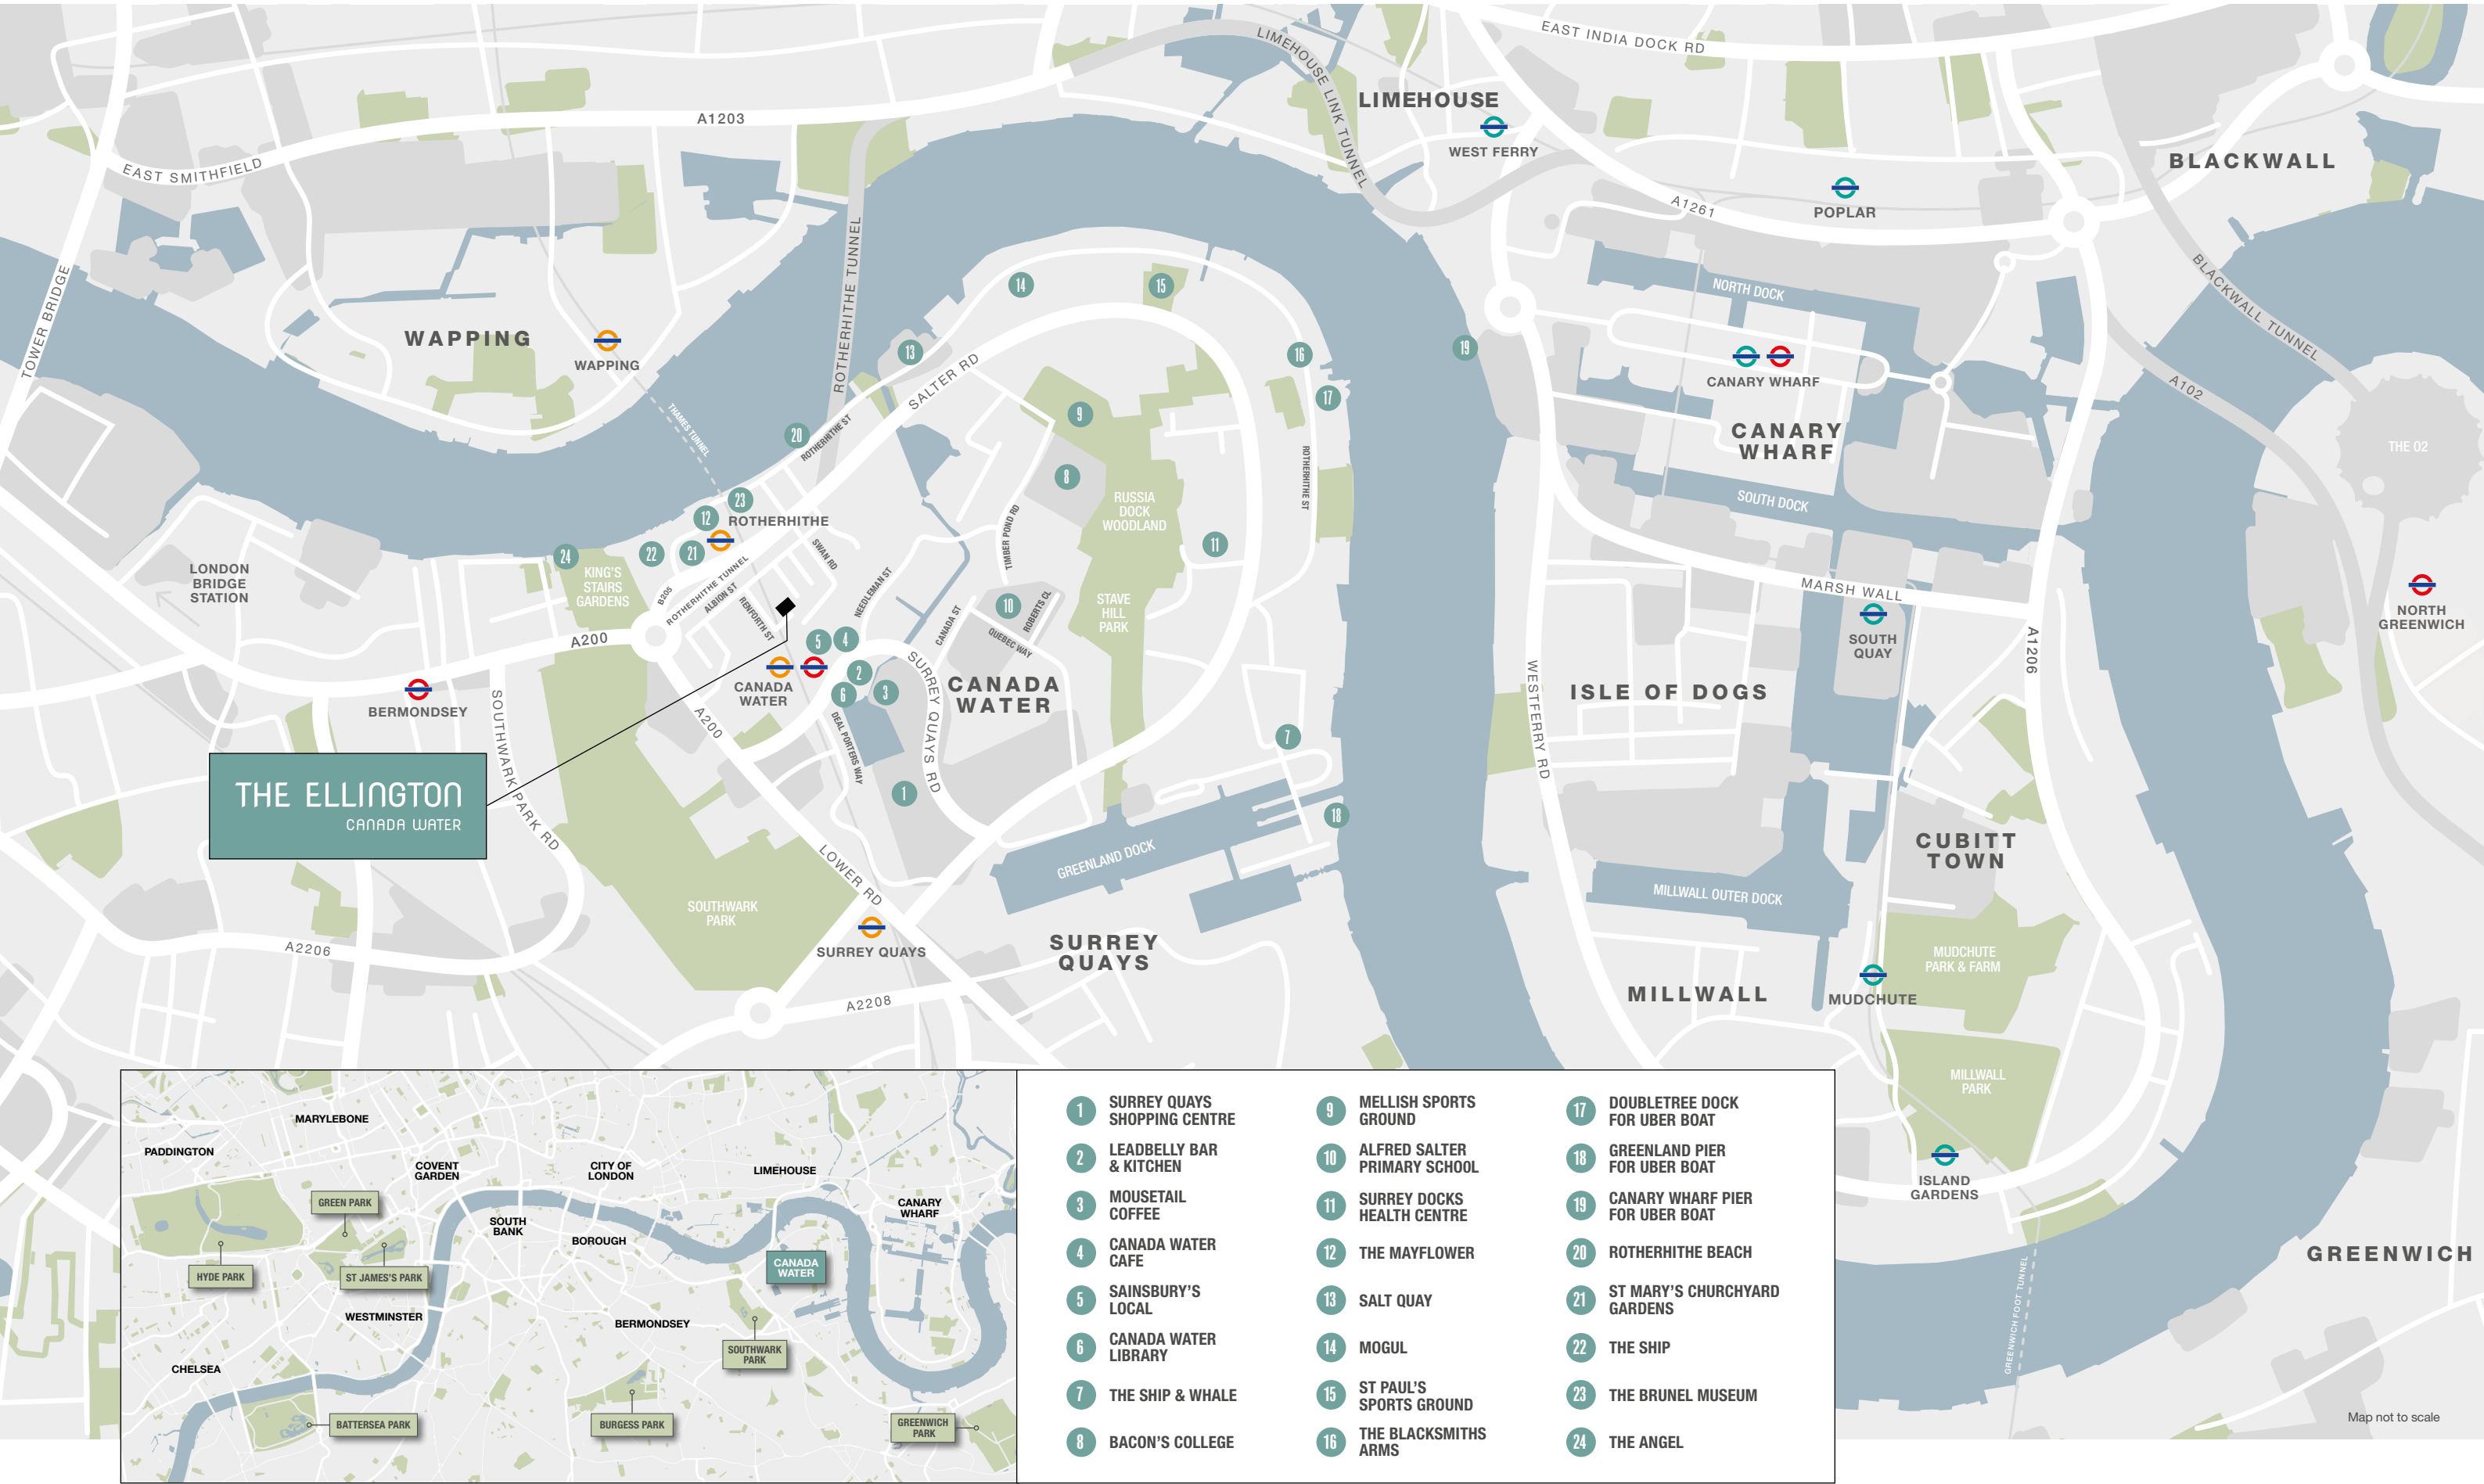

trees to enhance one of London's greenest neighbourhoods

**3,000**  
new homes

to be built over a 10 – 15 year period\*

# About us

**We put residents at the heart of everything we do – and nowhere more so than when we build new homes.**

Thoughtful, contemporary designs, sustainable, energy efficient buildings and an abundance of green spaces ensure that we create desirable homes in one of London's most vibrant, diverse and exciting boroughs.

Our commitment to high design standards, executed by our experienced and capable project teams, provide assurance of quality, long-lasting homes that are economical to live in and reflect and enhance the character of our local neighbourhoods. We are proud to be one of the largest local authority homebuilders in the country, and we are proud of each and every one of these homes which are vital foundations of our communities.
