ENJOY PLEASANT WOOD-LINED WALKS AND SUMMER PICNICS WITH PANORAMIC VIEWS OF GLORIOUS SUNSETS OVER THE CITY.

At Square Roots Lewisham, you are perfectly placed to recharge and unwind. Rediscover the magic of nature with a choice of 46 local parks in Lewisham and acres of Sites of Importance for Nature Conservation.

You are also centrally placed to enjoy Waterlink Way, a picturesque cycle route that follows the rivers Pool and Ravensbourne. The route travels through Lewisham, connecting Beckenham in the south to Greenwich and the River Thames in the north. With so many choices for outdoor spaces, why not treat yourself to a picnic with local produce from one of the several local farmers markets in the area?

On Saturdays, the award-winning Brockley Market can be found a 14-minute walk from

your doorstep, with locally-sourced fresh seasonal produce, breads and pastries, flowers, drinks, and street food. On Sundays, slightly further afield, you will find Blackheath Farmers' Market, perfectly positioned to enjoy the common.

Under a 10-minute walk away is Hilly Fields where you can find plenty of outdoor sports including cricket, tennis, and golf. Keen runners can also join the local parkrun.

From music festivals and family funfairs to hosting the start of one of the most famous marathons in the world, Virgin London Marathon at Blackheath, Square Roots Lewisham is the ideal base to take advantage of it all.

A group of young people, mostly women, are laughing and socializing at an outdoor event. They are holding plastic cups of beer. The background shows a fence and trees, suggesting an outdoor setting like a park or festival. The overall mood is joyful and social.

# LIFE AND SOUL

Lewisham isn't just a convenient Zone 2 and 3 base to get into Central London. It is a destination in its own right.

2022 saw Lewisham celebrated as the London Borough of Culture for good reason; it is a diverse, authentic, and an exciting place to live that celebrates the uniqueness of the local community.

This year-long cultural programme was curated by the people of Lewisham, celebrating the area's rich history that gives the area so much of its charm.

# CULTURALLY RICH

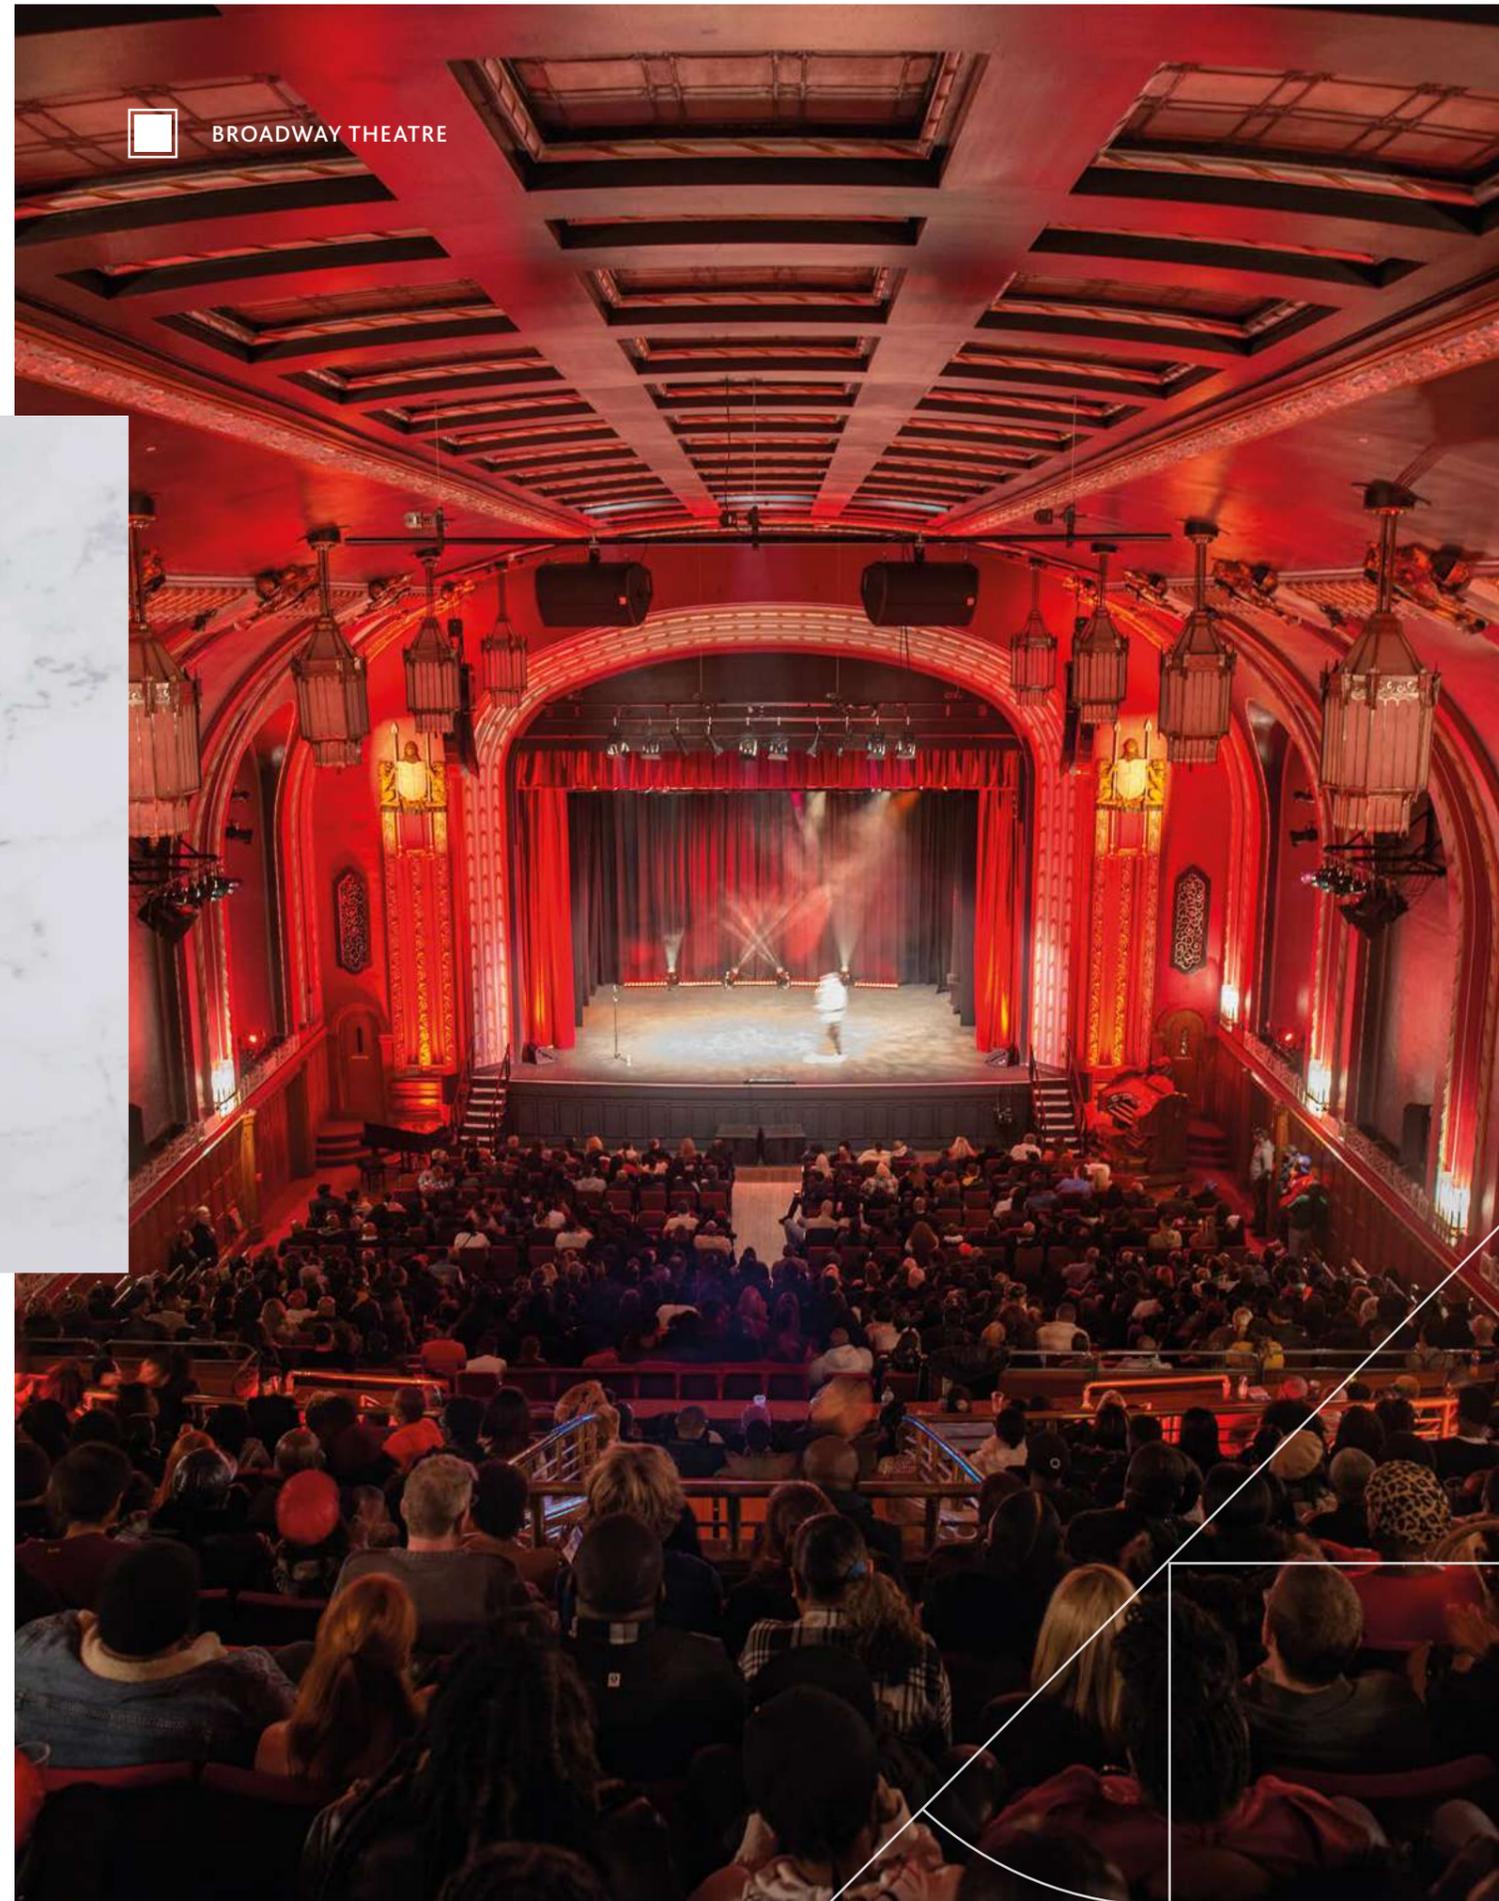

When it comes to finding fresh experiences, living in Lewisham means that you won't have to look far. It is home to a diverse range of highlights including access to a range of independent boutiques, high street favourites, and specialist stores such as Longdan Lewisham, a plant-based organic food store.

It is also an area that is becoming known for its eclectic food and drinks scene, with favourites such as the London Beer Dispensary, Vinothec Social, and L'Oculito Cocina restaurant and wine bar, to name a few.

For those who love the arts, you will find the best rising artists at Lewisham Arthouse as well as a great choice of independent theatres, cinemas, and a local bowling alley all within walking distance.

"Broadway is at the heart of our borough's cultural offerings, providing future generations with opportunities along with the best live entertainment in southeast London; from comedy and pantomime to dance and fresh writing."

# SHARED OWNERSHIP MADE POSSIBLE

Designed as an alternative way to buy your new home, you can buy a share in your Square Roots home with a small mortgage and deposit. You still pay some rent on the remaining share you haven't purchased, but you live in your home as your own.

## OWNING A HOME IS NOW AN ACHIEVABLE DREAM

### HOW IT WORKS

### BUYING A SHARE

You start by buying a share of the property (usually between 25% and 75%). This helps to reduce the deposit and mortgage amounts you need to pay to get on the property ladder, as you are only borrowing what you can afford.

Your deposit will typically be 5-10% of the share value you decide to buy, not the full market value of the whole property.

 Scan the QR code to view our affordability calculator

### PAYING RENT

You pay rent on the remaining share of the property you have not yet bought, but the rent is less than the rate charged on the open market.

You still live in the property as the sole occupier, no one else can buy or rent part of the same property you are living in.

### FUTURE OPTIONS

You can gradually "staircase" and buy additional shares in your home until you own it outright.

The cost of the additional shares is based on the market value of the property at the time that you purchase the shares. If you increase your share in the property, your rent is re-calculated and reduced proportionately. This gives you the possibility to plan fully owning your home in the future.
